Welcome to 930 Visalia Street in the wonderful city of Pismo Beach! This bungalow style home is located in the highly desirable neighborhood in Pismo Heights. The casual quiet living this home affords begins as you enter the front courtyard patio allowing you to enjoy the coastal sunshine. Step in to the open concept style living room and notice how this home flows nicely from the living to the dining and on into the kitchen. Just off the kitchen there is a bonus room which would make a natural home office or play room. Down the hall are the 2 guest bedrooms, hall guest bath as well as the primary bedroom ensuite. This is all single level living from the front door to the back yard and out to the garage. All appliances are included with this home including washer and dryer and a water softener. One of the recent upgrades is the added Air Conditioning unit. This is a must see and is ready to be enjoyed by a new family.
